

Recommended Commentaries

In addition to the commentary study notes in the NIV Study Bible these sources are recommended by Pastor Rowe:

- Expositor's Bible Commentary: Kenneth Barker, John Kohlenberger
- Tyndale's Concise Bible Commentary
- The Complete Word Study New Testament

(The same study bible commentary notes are contained in the Hebrew-Greek Key Word Study Bible, which contains both the Old Testament and New Testament and has the same editor: Spiros Zodhiates, Th.D.)
